Product description

The robust, lightweight and compact M-Fire HL Headlamp gives hands-free illumination exactly aimed where firefighters and emergency crews it. Ex-ATEX certification and IP67 waterproof rating prove that the headlamp won't add fuel to the fire when operated in hazardous areas while taking on dust, moisture, and impacts. The M-Fire HL's 150 lms punch through smoke and haze for up to 100 meters with 3 x AAA batteries providing light for up to 4,5 hours. When you need two hands to carry out critical tasks, the M-Fire HL is the best lamp to have on your head.
